Ref:- 124-12.

South Kanara Collector's Office,  
Mangalore, 19th October 1934.

From

Mr. Sankar J. Kulkarni, Bar-at-Law,  
Collector of South Kanara.

The Secretary to the Board,  
Land Revenue & Settlement,

B. S. S. S.

Sir,

Assignment - 1240 - Udipi Taluk - Shivani village  
(Udipi Taluk) - S. O. 182/A (7.32 acres) private lands -  
solicited.

S. O. 182/A of Shivani village, Udipi Taluk. The  
applied for on an estate by the owner of land, Udipi.  
The plot lies between the mang lands of the  
petitioner and is within the limits of Udipi Taluk. It  
measures 7.32 acres and is enclosed by a mud wall. The  
walls existing round parts of the plot are very old and  
said to be of pre-settlement date. An eye sketch of the plot  
is enclosed.

p. 5 cf

2. The petitioner had set up a claim in 1924. His  
petition was rejected as it was unsubstantiated. He was  
however allowed to use the land for purely agricultural  
purposes until there was a demand for building purposes.  
Please see Collector's D. Dis. 7123-24.

3. In 1924 the Assistant of Udipi recommended the  
assignment or solicited orders for the removal of the  
as he feared that other applicants would not take it up un-  
less this was done. As the extent involved was large, the  
assignment was considered objectionable. The Collector  
therefore ordered the removal of the  
Collector's D. Dis. 221-29, dated 26th September 1934.

P 3 cf.  
(R)

The Assistant of Udipi recommended the  
as he feared that other applicants would not take it up un-  
less this was done.

appeal stating that the plot was part and parcel of his kadim lands, that he was in exclusive and uninterrupted possession of it, and that it had been enclosed all round by a strong mud wall.

4. It is with reference to this appeal that Mr. Wells personally inspected the locality. His observations will be found at pages 7 and 8 <sup>n.f.</sup> of D.Dis.No.5962-30. He saw no objection to the assignment of the plot and some other plots and asked for specific proposals from the Tahsildar. While submitting proposals, the Tahsildar recommended site value at Rs.350/- per acre on this plot which Mr. Wells found to be excessive and wanted some authenticated basis for the fixation of site value. After receipt of the Tahsildar's report, Mr. Wells came to the conclusion that Rs.225/- per acre would do. This rate, too, the petitioner contended was excessive and he was not willing to pay site value at that rate. The petitioner's appeal was therefore dismissed by me and the encroachment Proceedings were allowed to stand in my D.Dis. No.5962-30, dated 23rd June 1931.

5. The petitioner ~~has~~ again approached me in the matter. He says that the plot will not fetch a rent even equal to the dry rate of assessment of Re.1/- per acre and contests the accuracy of the basis on which the site value was fixed. As the site value previously fixed was based on the Tahsildar's estimate, the Sub Collector was asked to verify that estimate. He reports that portions of the plot are rocky and considers Rs.5/- per acre would be a reasonable estimate of the income to be derived from the plot. Deducting assessment of Re.1/- per acre and capitalising the value of Rs.4/- at 25 years' purchase price, the value works out to Rs.100/- per acre. The petitioner has consented to pay at this rate.

6. The Sub Collector's rate of Rs.100/- per acre, as against Mr. Wells' personal opinion that it cannot be anything more than Rs.50/- (pages 10 & 11 n.f. of D.Dis.5962-30), may be approved. On further consideration I think that Rs.100/- per acre is a reasonable rate on the whole as the land is

re cited to be sold, and unsuited for grazing purposes. As the land has been in the enjoyment of the estate as it is undesirable that it should be sold in future.

7. As the rate involved exceeds 500/-, the rate shall be fixed at 500/- per acre. 3 of paragraph 13.0.1 (2.1.10.44) here, dated 1.10.1931, and the rate of 500/- per acre of the land viz., 5.00.100/1 here, dated 7.05.1931. The petitioner has estimated market value of Rs.100/- per acre free of self-storage, but subject to payment of the assessment of 500/- per acre. Instead of 500/- per acre, the assessment of 100/- per acre is proposed to be levied on the land, subject to the liability to pay ground rent in lieu of assessment, if and when the site or a portion of it is used for building purposes, as laid down in paragraph 13.0.1 of paragraph 13.0.1 as amended by 2.1.10.44 here, dated 1.10.1931.

8. The records noted in the margin are enclosed.

To AS (HR)

Please see the Collector's letter  
at MP. 1-3 ef. He proposes to assign  
S.N. 152/A (7.52 <sup>classified or assessed as</sup> acres) Shivalli  
vfe, Udipi Taluk to the occupier  
subject to the payment of Rs 100/-  
per acre. The land is within the  
limits of Udipi town. The Collector's  
inspection notes at MP. 7-8 in f of (B)  
show that the land is <sup>not suitable</sup> ~~unsuitable~~ for  
cultivation or building purposes and <sup>has been</sup> ~~is~~ in  
the occupation of the assignee for  
a very long time. It is far  
away from the town proper and  
there is no demand for house-sites  
at this locality. The Collector  
considers that Rs 100/- per acre  
is a reasonable value for the  
land

2. The ~~classification of the~~  
land falls under class (c) referred  
to in S.O. 15-22. The assignee  
is using the land for purely agricultural

purposes (removal of green leaves) p. 13 of (T).  
The Board may sanction the  
sale for estimated market value  
of Rs. 100/- per acre under sub.  
para (3) of S.O. 15-22. The sale P. 2 of (S)  
shall be subject to the liability  
to pay ground rent in lieu of  
assessment if and when the land  
or a portion of it is used for building  
purposes. In order, Attention is solicited to  
the remarks made by m.l. as collector of the district  
in 1924. (p. 3 of (T)). Mr. Wells inspected this  
place in 1930, and has remarked that there is no  
sign of the town extending this side. (p. 7 of (B)).  
The present Collector's recommendation for the <sup>private</sup> sale of  
the site at Rs. 100 an acre under B.S.O. 15-22(3) may  
be approved subject to the conditions mentioned in para 7  
of his letter (p. 3 of -).
